I understand that my child's enrollment in Peach County Schools as a tuition-paying student is contingent upon the acceptance of a recommendation by the school administration.

I understand that the school administration will seek background information about my child relative to positive work habits, self-discipline and citizenship. This information will be used as a basis for approval or denial.

Once tuition paying status is granted, I understand the principal may revoke the attendance privilege should my child exhibit poor discipline, poor attendance (including tardies) or poor academic performance while enrolled in a Peach County School.
