## Big Orange Preview: October 26-29

Big Orange Preview will take place on October 26-29 from the comfort of your home—and we hope you and your students both can join us!

During this Open House event, you and your students will have the opportunity to listen and chat with a variety of UT faculty, staff, and college students. We can't wait to introduce you to all the features UT has to offer in the areas of academics, financial aid, and student life!

---

## Come See Tennessee: October 13-14

From October 13-14, students can Come See Tennessee from the comfort of their home! This Diversity & Inclusion-focused event is a unique two-day experience to highlight UT's Pride Center, Multicultural Student Life, a current student panel, and much more. Students will have the opportunity to listen and chat with a variety of UT faculty, staff, and scholars during this event. We can't wait to introduce them to all the features UT has to offer in the areas of academics, financial aid, and student life!

---

## Transfer Day: October 15

This is a special day just for transfer students to provide the opportunity to learn about the transfer admissions process, find out how financial aid works for transfer students, hear about our Career Development Center, and interact with academic advisors from all major programs.

---

**Transfer Student Visit Day does not meet the orientation requirement to register for classes.**

---

## **Scholars Invitational: October 17, 19-20**

High-achieving students are invited to join us on October 17, 19-20 from the comfort of home to learn about the great opportunities available at UT, particularly in one of our Honors programs!

During Scholars Invitational, students will hear about experience learning, Honors & Scholars Programs, and scholars talking about the campus experience. Students can choose to attend breakout sessions of their choosing to learn about research, health professions programs, leadership and service, and more.

My name is Brandi Merritt and I am a Recruiter with South Georgia State College. I am your person of contact for any questions or concerns that you may have this year concerning SGSC. I know things look a little different for the start of this school year, but I want to let you know, that South Georgia State College is here to assist you and the students of your school in any way possible! Whether it be [socially distant on-campus tours](#) of the Douglas or Waycross campus, socially distant or virtual application workshops, and by connecting with us on the virtual PROBE College Fairs this fall.

Also, we have a [virtual view book](#) of the school that you and the students can view! I hope this helps to answer some questions that may come up about SGSC. However, like I said, I would be more than happy to answer any and all questions!

We are excited to have Peach County High School students here at SGSC and invite them to contact me directly for a virtual meeting to answer admissions questions by clicking the link in my signature.

I look forward to hearing from you and the Peach County High School students this year!

Sincerely,

Greetings!

High-achieving students come to you for guidance on big decisions. Make sure your college-bound seniors don't miss out on the chance to apply for Georgia State University's most prestigious and valuable academic award—[The Presidential Scholarship](#).

Our Presidential Scholarship program recognizes incoming first-year students who were leaders in their high schools and offers them the support and experiences that will set them up to be leaders in their careers and communities. The scholarship is valued at **up to \$28,000 per year** (depending on in/out-of-state student status and participation in our student assistantship program).

Presidential Scholars receive the following benefits for eight semesters:

- Cost of tuition, housing and mandatory student fees

- A yearly living expense stipend
- A one-time \$2,500 stipend for credit-bearing study abroad expenses
- Opportunity for a paid University Assistantship to explore research and engaging work experience on campus
- Access to individualized classes and mentoring opportunities
